Carolinas College of Health Sciences

1200 Blythe Blvd. Charlotte, NC 28203

Each year, Carolinas College of Health Sciences accepts and greets over one hundred new students. The faculty and staff anticipate the new arrivals with excitement and enthusiasm. We see eager new faces and think to ourselves "This is going to be such a great group of students." From their first day of class

until they march at graduation, the students enable personnel of the college to achieve our goal of preparing individuals to serve as healthcare professionals. This book is dedicated to the 1998 graduates in celebration of their success.

Colleen Masterson

Second year students from the School of Nursing have the opportunity to select an instructor for the Educator of the Year Award. The College congratulates Colleen Masterson for being the 1997 recipient of this award.

Colleen earned her Diploma from MB Johnson School of Nursing and her BSN and MSN from the University of Akron with certification in Adult Psychiatric Mental Health Nursing. Although she is one of the newer faculty members, she has already won her way into the hearts of many students.

Colleen has been such a great listener ... She makes you feel like a wonderful person ... always supportive and easy to talk to ... my inspiration ... a very compassionate person ... a strong patient advocate ... a very strong student advocate ... has gone above and beyond her call of duty as an instructor ... deserves to be recognized for a wonderful year ... Way to go Colleen!

Colleen received her award at the Graduation Rehearsal Dinner.

School of Nursing, Educator of the Year

Colleen with Mike Mahler and Claire Corbin at the 1997 School of Nursing graduation ceremony.

Colleen enjoying some time with students at a Student Nurses Association function.
